Ethics policy

Adopted: 10 October 2026 · Basis: Bylaws Article 9

1. **Who it binds:** These rules apply to Officers: members of the Board and of the Audit and Integrity Board, team leads, and anyone organizing a competition on behalf of Speedcubing Türkiye.
2. **Signing:** When taking up their role, Officers confirm by signature or online acceptance that they have read these rules and will follow them. The Audit and Integrity Board keeps the signatures.
3. **Care and good faith:** Officers carry out their work with care, in good faith and in line with Speedcubing Türkiye's purposes.
4. **The community first:** Officers do not use their role for personal gain and put the community's interests before their own.
5. **Disclosure of interests:** Officers disclose in writing: any job, contract, partnership or sponsorship with cube shops, manufacturers or sellers; any financial relationship with Speedcubing Türkiye's sponsors, suppliers or competition venues; and such relationships held through a spouse or first-degree relative.
6. **Keeping disclosures current:** Disclosures are made on taking up a role and updated within 30 days of any change. The Audit and Integrity Board keeps them; the list is available to all Full Members. A disclosed relationship does not by itself bar anyone from a role.
7. **Conflicts of interest:** An Officer with a personal connection to a decision says so and takes no part in it.
8. **Gifts and benefits:** Officers do not accept gifts or benefits that could influence their decisions.
9. **Money and equipment:** Officers use Speedcubing Türkiye's money and equipment only for the organization's work.
10. **Misuse of authority:** Officers do not use the authority of their role to pressure, favour or punish anyone.
11. **Confidentiality:** Officers keep confidential the personal and financial information they learn in their role; this continues after their role ends.
12. **Non-discrimination:** Officers do not treat anyone differently because of age, gender, origin or belief.
13. **Breaches:** A breach of these rules is a disciplinary matter under Bylaws Article 9.
